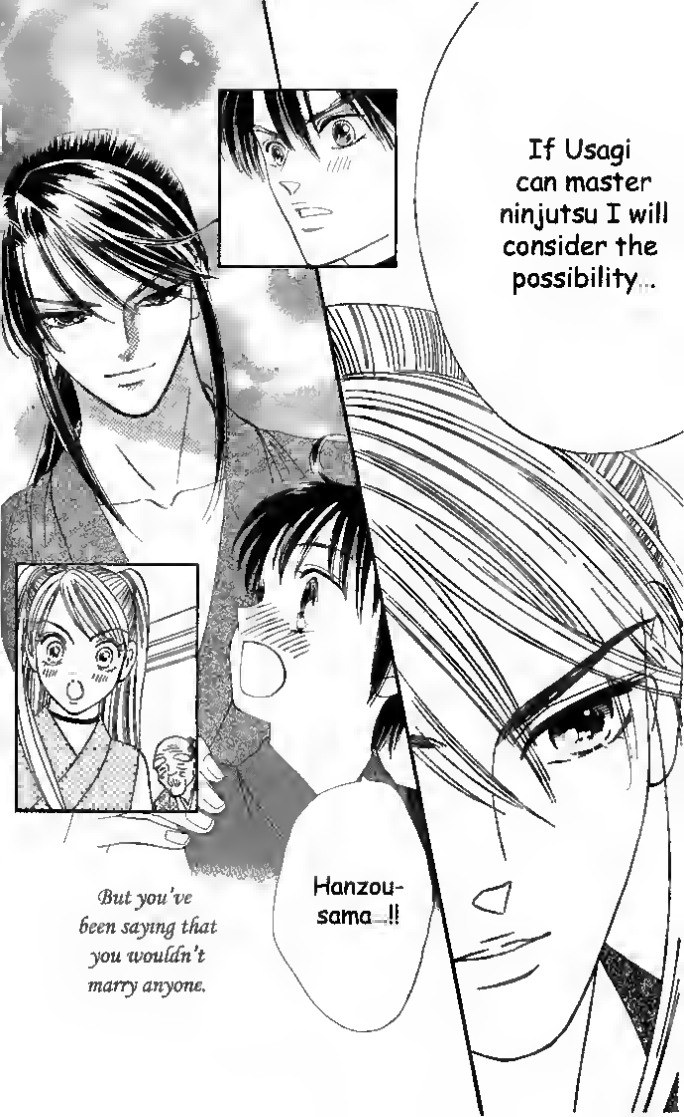
Perhaps, if she can master ninjutsu
Go Goemon
MAMEZOU'S MANY DISGUISES
La la la laaaaa



If Usagi can master ninjutsu I will consider the possibility...
Hanzou-sama...!!
But you've been saying that you wouldn't marry anyone.

Well, if that's the case, I mastered ninjutsu when I was 7!!
shave
Damn it. Yuuri's here!!
Would you please also consider marrying me!?
Yes.
Well, if you really HAVE mastered it
Wasn't the one who mastered ninjutsu at age 7 your elder twin sister Yuuno?
Ha Honzou-sama!?
EEH?
Your lies won't work on me.
Yuuri, your shinobi skills are full-fledged, but you are too prideful for a shinobi.
Yuuri hasn't mastered ninjutsu...
You know that, don't you?
DASH
Yuuri.

Yuuri
Stomp
Wait Yuuri!!
Stomp
.....
It's just as Hanzou-sama said...
Someone like you...
You're almost there, right?
It's not something to get so upset over.
To always be compared with your flawless sister,
and always lose!!
Someone like you could NEVER understand how I feel!!

Let's wark hard tagether so that we can master ninjutsu!!
That's why
That's why we should give it aur best!
Weil, isn't that because you're a baundless idiot?

GYAA
What do you mean by "weird stuff"!?
I don't want to say!!
You can feel relieved if the famed Goemon is their instructor.
I don't like it, but it can't be helped.
So stop evading me like that. You're hurting my feelings.
If you two don't master by the end of the year I'll have you sent back to your homes.
I will definitely master ninjitsu!!
M...Me too!!

Alllright! I'm gonna work soooo hard!!
I look forward to working with you Goemon-sama!!
Goemon!
Quit playing around with Mamezou and teach us!!
Buuuut~~~~ If you master ninjutsu you might marry Hanzou, right?
WHEEEE I feel like a bird.
That's why I've gotta work hard!!
Hey...
Goemon-sama is your fiancé, isn't he?
We're not engaged now!!
EX fiancé!
Come to think of it, I don't think Usagi can get her mastery in half a year... But I can't just do nothing...
Are you prepared?
Y...YES!!
Alright! Let's get down to training!!

You are not to put Mamezou down until I say so!!
Eh…

You can't mean that…
I'm gonna goooo…
Didn't I carry you for two years!?
T Two years!?
The lightness of my body when I put you down.
That feeling of refreshment and sense of accomplishment isn't something easily earned
I can't stand it any longer~
I'll NEVER forgive you if you pee on me!!
But I was also sad…
WAAAAN

She may be a princess, but she's amazingly strong!!
It's alright
You're a princess, you don't have to do that...
If I don't keep busy, all I do is think about unpleasant things...
Good luck with your training

The princess fought to protect Iga!!
W-Wait!!
Isn't this woman an enemy of Iga!?
The other shinobi, as well as assassins from other lands are all after this woman's neck

Goemon, how could you do that to the princess...!!
It's alright..
Cough
If I die this way...
Eh!?
I've had enough...
There's really no point for me to go on living..
No matter how long I wait, Hanzo-sama isn't going to come for me...
A life without Hanzo-sama ...
...is the same as being dead...!!
WAAAAAAAA!!

Princess
Hanzou-sama...
Please do not say that you want to die..!!

I beg of you!!
WAAAAAAAA
Please ..
So...
Strong...
...re the princess' feelings of love for Hanzou-sama.

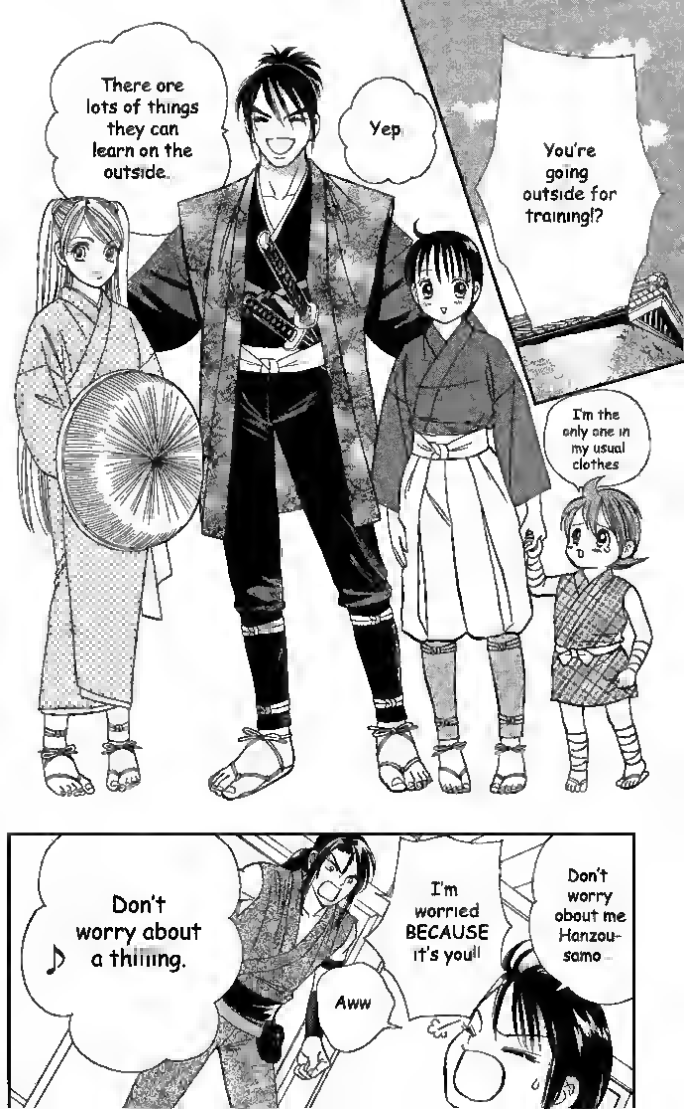
And Hanzou-sama's feelings for the princess,
are just as strong.
Please let us be alone for a while
O... Okay
surprise
I wonder if my feelings
are as strong...?
Let's go, Goeman
Goemon!!
Owie

I will no longer allow you to live.
The next time you raise a hand against the princess,
I truly am sorry...
I...I swear
Hanzou-sama still loves her,
What?
POUR
Hanzou-sama and the princess!!
So passionately...
This is not good at all!!

He hasn't broken her heart.
Broke her heart.
POUR
Kami no Hanzou-sama broke the princess' heart,
what'll we do if she clings to Hanzou-sama because of it!?
"I LOVE SARA, BUT I ALSO WANT TO TREAT OTHER WOMEN GENTLY."
POUR
They're having a misunderstanding right now, but they definitely still love each other!!
If that's the case, the princess should go to Okazoki right now to see him.
She CAN'T do that, that's why she's here!!
SLIDE
the princess is going to take Hanzou-somo before we can master ninjutsu!!
If we don't do something to get the princess and *Kami no Hanzou-sama* to make up,

GYAAAA
Shinobi never get agitated
That's basic among the basics!!
We always used to bathe together, didn't we?
Isn't that right Mamizou?
splash
splash
Geez!! I TOLD you not to do weird stuff!!
SHOCK
I saw it... and I'm not even married yet...
SUBMERGE
We don't know, that's why we're worried!!
What should we do to get the princess and Kami no Hanzou back together?
So,
I...I'm in the same bathtub as a man... AAAAAAH!
One
Two
Three
Four

Though it doesn't really bother me.
I think Hanzou and the princess suit each other.
NO WAAAY!
pain
No way!
No way!
You're hurting my ears.
pain
pain
Well then, shall we go to Hamamatsu and get Hanzou?
Hamamatsu?
Where's that?
sigh
For shinobi you guys sure are uninformed...
Kami no Hanzou is in Hamamatsu right now.
But, will Hanzou-sama let us go...?
We don't have to tell him.
It'll be extra-curricular instruction.
Will you go to Hamomatsu?



There are lots of things they can learn on the outside.
Yep.
You're going outside for training!?
I'm the only one in my usual clothes
Don't worry about a thing.
Aww
I'm worried BECAUSE it's you!!
Don't worry about me Hanzou-samo
